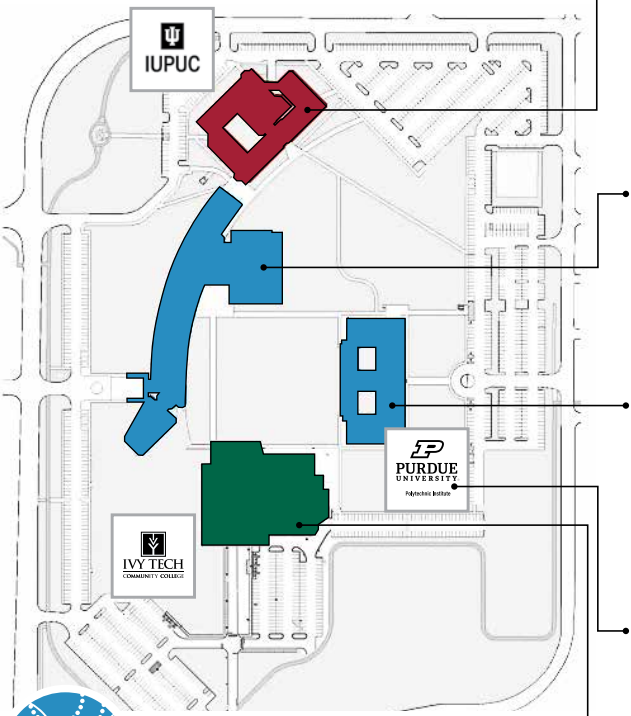
On the AirPark Campus, many certificates and degrees can be built on one another across the three institutions. Associates Degrees offered at Ivy Tech often transfer to Bachelor Degree programs at Purdue Polytechnic and IUPUC in the same concentration. This can save time and money!

Three of Indiana's leading educational institutions are on *one* convenient campus.



AirPark Columbus College Campus

Pursuing a post-secondary Degree or Career Certification is more convenient than ever by having Indiana's leading institutions together on a beautiful, easily accessible shared campus.

Student Housing options are available. ANNEX

IUPUC
Offering Bachelor's and Master's Degree programs in a variety of fields from Indiana University and Purdue University. IUPUC features small class sizes and a close-knit community of students, professors, and staff.

Columbus Learning Center
A modern, spacious facility that provides classroom space, bookstores, and student service facilities (The Bridge and The Landing) for IUPUC, Ivy Tech Community College, and Purdue Polytechnic Institute.

AMCE
Advanced Manufacturing Center of Excellence. Designed for science, technology, engineering, and math programs. Features technology labs and a metrology lab with the most extensive resources of any metrology lab in the Midwest.

Purdue Polytechnic Institute
Located in the AMCE and part of Purdue Polytechnic Institute at Purdue University, one of the largest technology schools in the nation.

Ivy Tech Community College
Ivy Tech Columbus features an Agricultural Science and Industrial Technology Center, offers Certification and Associate's Degrees in a wide range of fields, and also holds classes at community-based sites in Jackson, Jennings, and Decatur Counties.
